

Diabetes Brown Bag Telehealth Lunch Series

**3rd Wednesday
of each Month
Noon – 1:00 p.m.**

Schedule of Events

**June 15, 2005 – Juvenile / Pediatric Diabetes, By Mary A. Murray, MD
(Endocrinologist, Primary Children's Medical Center)**

Dr. Mary Murray will address the differences of type 1 and type 2 diabetes and more specifically the presentation of, incidence of and etiology of type 1. She will familiarize participants with the spectrum of insulin therapies, tools to improve control, and identify the goals of therapy for type 1 diabetes in children and adolescents.

CEU's offered for nursing and dietetics for all programs. I would need at least 6-7 weeks notice from participants if you would like either Continuing Education Credits for Pharmacy or CME's,

July 20, 2005 – Diet and Weight Loss, By Eileen DeLeeuw, RD, CDE

**August 17, 2005 – Physiology of Exercise and Diabetes, By Donna Wahoff-Stice,
FNP, Utah Diabetes Center**

**Metabolic Syndrome/Syndrome X - In-Patient Use of Insulin - Depression &
Stress with Diabetes - Driving Issues / Commercial Drivers License & Diabetes**

**Please use attached reservation form.
